

**NOTICE OF INTENTION TO DESIGNATE
PROVINCIAL HERITAGE PROPERTY
THE HERITAGE PROPERTY ACT,
S.S. 1979-80 c. H-2.2 s.39 and 41**

TAKE NOTICE THAT not less than sixty (60) days from:

- a) the giving of the Notice of Intention to the owners of the affected property;
- b) the registering of an interest based on this Notice in the Land Titles Registry;
- c) the publishing of this Notice in the *Carlyle Observer*; and
- d) the publishing of this Notice in the *Saskatchewan Gazette*;

I intend to make an order that the property known as the:

Moose Mountain Chalet and Cabins

and situated in :

Moose Mountain Provincial Park

and legally described as:

**LSD 5 - Sec 24 Twp 10 Rge 03 W2 Extension 26, As Described on Certificate
of Title RE100213810 (Surface Parcel #164910731)**

be designated as Provincial Heritage Property under sections 39 and 41 of *The Heritage Property Act*.

The reasons for the proposed designation are as follows:

1. The Moose Mountain Chalet and Cabins are directly associated with the creation of the Saskatchewan provincial parks system. Moose Mountain Provincial Park was one of six parks created in 1931 and the chalet was the largest building in the system at the time of its construction. The four cabins near the chalet are the last remaining examples of 14 originally built to accommodate park visitors and tourists.
2. Constructed in 1931-32 and designed by Provincial Architect Harold Dawson, the Moose Mountain Chalet and Cabins also represents a rare Rustic-inspired example of public architecture within Saskatchewan's provincial parks that was influenced by the US National Parks system aesthetic. Typical elements of the style include half-timbering and stucco finish in the gables of the chalet, the stucco and stone exteriors of the cabins, and the use of locally gathered stone used on the exterior of both the chalet and cabins.

3. The property is also significant because of its association with Great Depression relief projects initiated in the 1930s by the federal and provincial governments to alleviate high unemployment caused by the global economic depression. In Saskatchewan, the Great Depression resulted in the construction of many buildings, amenities and other public works in the newly formed parks system.
4. The property, with its landscaped grounds, views and vistas, mature aspen forest setting, and spatial inter-relationship between the chalet, cabins and Kenosee Lake, is also considered to have aesthetic significance.

AND FURTHER TAKE NOTICE THAT a Notice of Objection to the proposed designation may be served to me at the same address within thirty (30) days of the date of publication of this Notice in *The Carlyle Observer*. The Notice of Objection shall state the reason for the objection and all relevant facts.

AND FURTHER TAKE NOTICE THAT if no Notice of Objection is received within the time specified, I may order the designation with respect to all of part of the property described herein.

DATED at the City of Regina, in the Province of Saskatchewan,

this 15 day of July, A.D. 2011.

Honourable Bill Hutchinson
Minister, Tourism, Parks, Culture and Sport
