March 2012

The following heritage resource consultants offer various palaeontological and archaeological conservation, planning and research services in Saskatchewan, including heritage resource impact assessments (HRIAs) and mitigation studies.

The Heritage Conservation Branch makes no recommendation with respect to this listing and does not intend to imply by it that these are the only firms available to provide these services in Saskatchewan. Developers are free to select their consultants of choice. The consultants on this list generally are able to hold permits. However, clients are advised to ensure that any prospective consultant is able to meet the specific study requirements of the project and can obtain the appropriate investigation permit (per s.67 of *The Heritage Property Act*) where required.

The List of Consultants is periodically updated. The listing is provided for information purposes only and the Heritage Conservation Branch is not responsible for any errors or omissions. The Government of Saskatchewan assumes no responsibility or liability for the acts or omissions of any person or firm contained herein.
